

CONSTRUCTION UPDATE - KNOW BEFORE YOU GO!

The Raleigh Market will remain open and easily accessible during the Blue Ridge Road construction project.

The best way to visit is by entering **Gate 9**, GPS address 4285 Trinity Road, Raleigh. After passing the ticket booth gate, go straight or left to find parking.

The **Hillsborough Street parking lot** will also remain open during the construction project. It can be reached only from the western approach. At the first "road closed" sign, you are allowed to continue straight and then turn left into the first parking lot entryway. (Western approach is either off I-40 to 54 to Hillsborough OR Wade Avenue to Edwards Mill to 54/Hillsborough).

Customers can also access the market via Gates 4 and 5 off Youth Center Drive.

VENDORS – there is ONE access point into the market, at the top of State Fair Flyer ride. After entering Gate 9, go up and to the left.
